TESTIMONY OF THE TROOPS What the Officers of Companies Serving in South Carolina Say of the Election.

ballot-box, and should co-operate with the New York Herald's Washington Correspondent. The officers of the arrived troops tell-quite to bring the culprits to justice. With a zeal an interesting story of their experience in and energy worthy of all praise, Captain and energy worthy of all praise, Captain undoubtedly secured a peaceful election, and, Garrett, the United States official, is pursuing what at first seems strange, called out his investigations, and it is hoped he will be larger vote for the Democrats among the ne successful in his prompt, indefatigable and sedulous efforts to discover the knaves who tampered with the ballot-box at Bartlett. We want no returning board in Shelby county white Democrats would have had everything base enough to "doctor" the ballot-box, and to change the result so as to elect their favorites, in defiance of the will of the people. liberty to vote at any precinct within his While Captain Garrett is eagerly and vig- county; as a consequence, any one disposed to orously investigating the fraud upon the bal- repeat his vote can travel from precinct to prelot-box at Bartlett, the grand jury must be equally as vigilant in the discharge challenged and sworn. As experience had of its sworn duty. That there were gross, palpable illegal voting in this city on the seventh of November, no man doubts. Attorney- the polling of all of them during the eight or General Luke E. Wright has made an envia- ten hours the election lasted, the troops were ently prosecuting evil-doers and violators of precincts, a company being usually divided the law. If he will turn his attention to the each precinct. In this way the colored voters returns of the late elections he will see pal- were divided more evenly about each county puble evidences of fraud. In 1872, the total vote in Shelby county was 14,327; in 1874 it was 14,684, but in 1876 the total vote was it was 14,684, but in 1876 the total vote was increased to 16,592, the increased vote being which the white Republican has to suffer.

2368 over the vote of 1872 and 1914 over that He is banished from the church, and runs the of 1874. The evidence of fraud consists in risk of losing his life the first time

of 1874. The evidence of trand consists in this: That while Casey Young receives 339 yotes less than in 1874, Randolph, while running behind his ticket, receives 2252 votes ceived there under any circumstance, and more than were cast for Lewis. In the city unless he has companions enough of his own more than were cast for Lewis. In the city vote, Young loses 312 votes while Randolph becomes a pariah of society and leads gains on the vote of 1874 1219. Randolph wretched existence. On election day this gains on Lewis's vote in the first ward, kind of man received protection equally with quence, the Democrats polled the full colored vote, so that, after all, the white Democrats were shrewd enough to turn the presence of 144; in the tenth ward, 260. This unvarying the soldiers into an advantage and enlarge the Democratic vote, notwithstanding the general supposition that the effect would responding loss on the Democratic vote, indi-cates that the negro repeaters performed their tially of what they have seen. To their credit, be it said, they appear to have no partisan feeling whatever. Doubtless they are an Illustration of the general sentiment prevail ing among the officers of the army, who, after er than Lewis, yet while running behind his a few years of service, seem to sink all politi-
